MARCHING BAND COMMITMENT FORM

The Trinity High School Blue Crew Marching Band is an award-winning group. It is made up of the most well-rounded students at Trinity High School. The Marching Band organization is designed to help your child “develop lifelong excellence through a challenging music education experience”. There are positions available in all sections of the Band for the 2021 season! We are looking forward to an exciting competitive season next fall. In the Marching Band, we have Wrestlers, Student Council Members, Beta Club Members, Soccer players, All-County Band Members, All-District Band Members, Thespian Members, and Art Club Members represented.

In order for you and I to properly plan and receive our instructional materials in time for summer, I must know the number of marching musicians in each section. Please take a few minutes to review the enclosed calendar and fill out the information below. It looks overwhelming at first glance but as you can see, there are many performances and rehearsals scheduled to allow students to shine. To better assist you in the planning process I have listed all the Marching Band dates and rehearsals. In Marching Band there is a financial commitment to run this organization. The band is highly competitive and this is why students love it so much! The Marching Band fee covers travel expenses, instructional costs, show design costs, music, drill design, and food for students. There are a number of fundraisers available to help families offset the cost of the fee if needed. If you are unable to pay the Marching Band fee please still sign the commitment form and review our payment options on the following page. Options are offered to assist families from all socioeconomic backgrounds. Each and every member of the ensemble makes a difference and your participation is important to the program! We welcome everyone into the Marching Band and we are excited about the growth we will see next year!
